HELP US SPREAD THE WORD, NOT THE GERMS

AF Spray - cleaning & degreasing spray

AFS200

200ml aerosol

Powerful drive cleaning solvent. Fast evaporation for maintenance of tape drives, disc drives and electromechanical equipment. Dissolves light grease and oil. Does not harm plastics. Removes oxides from read/write heads. Use with Foambuds, PC Buds, Safewipes or Safecloths.

Headclene - magnetic head cleaning fluid

HCE250

250ml pump spray

Magnetic read/write head cleaner. Non-flammable, water based fluid for cleaning oxides and dirt. Does not harm plastics or rubber, leaves no residue and dissolves light grease and oil. Use with Foambuds, PC Buds, Safewipes or Safebuds.

Isoclene - isopropyl alcohol for general cleaning

ISO250 / ISO01L

250ml pump spray / 1 litre

General cleaning for technicians; 99.7% pure Isopropanol for any technical cleaning such as magnetic read/write heads, edge connectors when re-seating PC Boards etc, leaves no residue. Use with Foambuds, PC Buds, Safewipes or Safebuds.

Platenclene - rubber roller cleaner/restorer

PCL100 / PCL01L

100ml pump spray / 1 litre

Rubber roller restorer. Non toxic, non-flammable solvent pump spray for cleaning and restoring grip of all types of rubber rollers, including printer and fax. Restores roller flexibility, leaves no residue, dissolves ink stains, oil and grease, reduces paper jams. Use with Safecloths, Safetiss or Safebuds.

Printclene - Laser printer & fax cleaning sheets

PRI025

25 sheets

Fax/laser printer cleaner. Specially coated paper for cleaning plain paper fax machines and laser printers. Removes toner and dirt from paths and optics. Used dry, no solvent required, can be re-used up to 5 times, also available in Laser Printer and Fax cleaning kits.

Safeclene - fast dry solvent

SCL200

200ml pump spray

Non-flammable fast drying solvent removes light grease and finger marks with a residue free finish. Can be used on live equipment.

Safepads - isopropanol cleaning pads

SPA100

100 sachets

Large isopropyl alcohol wipes in a sachet. The wipe fabric is a lint-free non-woven material with exceptional wet strength. (Not suitable for sensitive surfaces).

Staticlene - anti-static hard surface cleaner

STA05L

5 litre

Fully biodegradable, anti-static hard surface cleaner with a pleasant fragrance. Maintains anti-static properties for long periods thus reducing the attraction of dust and debris. For use with Safecloths, Safewipes and Safetiss. Can be used for refilling the 250ml pump bottles STA250.
